**Public
Schools**

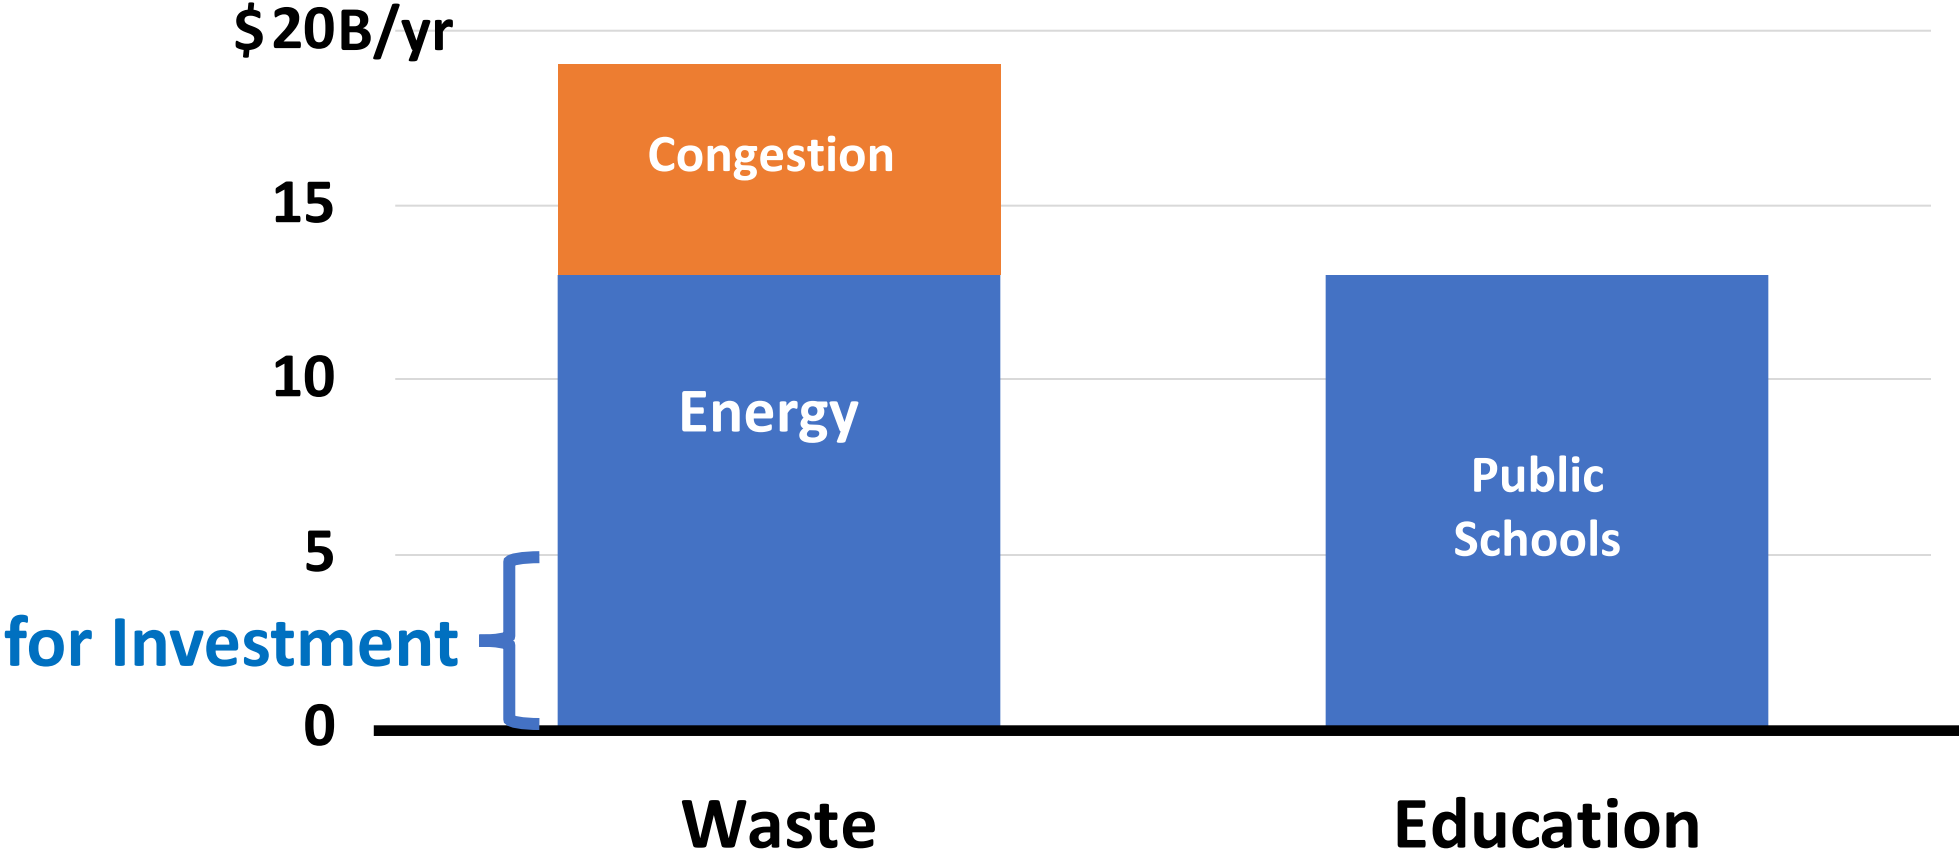

Education

Energy waste costs as much as public education

Recovered waste money can pay for investments

Entrepreneur CEO perspective

- **Set big hairy audacious goal**
- **Get realistic** – priorities, all useful technologies
- **Get aggressive** – no exemptions, but reasonable accommodations

Entrepreneur CEO perspective

- Set big hairy audacious goal
- Get realistic – priorities, all useful technologies
- Get aggressive – no exemptions, but reasonable accommodations
- **Design**
 - **Technology → Strategy → Policy** – toolbox: direct control, cap systems, sectoral
 - **Connections** – e.g. transportation = decongestion + decarbonization
 - **Capital intensive solutions** – Cap & Invest, Public Private Partnerships
 - **Act local & effect global**
